

Miki Mansell – Sunshine and Daisies Wine Glass Charms

Once upon a time in 2006 Miki had the misfortune of meeting a thief of the worst kind - a wine thief! Not content with draining 1 or 2 glasses, the 'thief' continued until all were empty - under the guise of 'Oh, I thought it was mine'! Miki decided it was time to end this unforgivable misdemeanour and searched and searched for some sort of identifier that was worthy of gracing her glasses.

Initially, she could only find either acrylic or something not quite sparkly enough so she began the hunt for the best crystals & components. Miki says: "Then we found Swarovski crystals and Sunshine & Daisies was born. This put an end to misery and began identifying glasses in a twinkly, sparkly, luxurious (but very cost effective) way that only Swarovski and Sunshine & Daisies combined can do."

That was just the beginning and from there Sunshine & Daisies has gone from strength to strength.

Miki only uses Swarovski crystals because she believes they are the best for sparkle and pzazz, exactly what her clients deserve. Collections available as 'off the peg' designs in sets of 6. Currently there are over 40 different styles! Prices include delivery and range from just £13.95 a set to £28.95 for full on Swarovski decadence. Miki can also tailor make a package to suit any budget and has supplied to weddings, ruby anniversaries, birthday parties, christenings, Bar Mitzvah's and even a funeral.
